JUDGING

Winning designs will be chosen based on: (1) simplicity of design; (2) use of maximum six colours; (3) use of colours that are flat and solids, NO shading, blending or half tones; (4) use of imagery, themes, patterns, or designs that embody the uniqueness of Down Syndrome; (5) originality. All of these criteria are guidelines judges will use during all rounds of judging. Between February 10 and February 12, 2024, the **SOCKBOX** team will select approximately 40 semi-finalists from among all eligible entries received by February 9, 2024 at 5pm MT. Between February 12 and February 16, 2024 at 5pm MT, the Manitoba Down Syndrome Society Sock contest committee, applying the same judging criteria, will vote for the winning design. The team will select the final winner and announce it February 21, 2024 at or around 10 am on Design Contest page. The winner (or in the case of children under 13, their parent, teacher, or legal guardian) will be notified via email and/or telephone.
